Dear Sir:

This is in response to the Office Action dated December 23, 2004, setting a three-month shortened statutory period for response.

Summary of Response

Applicant notes that the Patent Office has issued an office action on the wrong case. The office action for this case must have been meant for another case. This was discussed with the examiner of record who agreed that applicant would submit a response to the office action explaining the error. This document is to provide written documentation of this conversation.

Details

In review of the Office Action Summary, Applicant notes under "Disposition of Claims," number 4, that claims 23 and 24 are pending in the application. Applicant wishes to inform that in this application, which has been assigned serial number 10/657,513 by the U.S. Patent and Trademark Office, a preliminary amendment was filed at the time of filing this application (filed 9/8/03), wherein claims 1-12 and 18-24 have been cancelled and it was requested that remaining claims 13-17 be renumbered as claims 1 through 5.

Applicant encloses a copy of the application, preliminary amendment, information disclosure statement, etc. as filed on September 8, 2003, along with a copy of the postcard which has been acknowledged by the US Patent and Trademark Office showing this application, Attorney Docket Number 630.320USD1, has been assigned serial number 10/657513.
